**How to Pay Your Account**

These terms and conditions relate to the fees charged for professional medical services provided by Dr Singh, Dr Jenner, Dr Ramos-Galvez, Dr Harrington or Dr Mubarak for consultations, pre and post procedure appointments, treatments/procedures and all pain management services.

**If you have Private Medical Insurance (PMI) that covers your Consultant's fees**

You are legally liable for payment of your fees, but your PMI will pay Clinical Associates Ltd. some, or all, the fee directly.

Please contact your PMI to obtain pre-authorisation for your appointment/consultation/treatment, and ascertain your level of cover in terms of any shortfall in fees. Clinical Associates Ltd. require your full insurance details, including the insurance authorisation code at the point of booking. Your insurance may not cover the total cost of your appointments, and in this instance, you will be liable for any difference between the fee chargeable and the PMI's payment; this will be billed as a shortfall.
